**Weather:** At times horrific downpours with near gale force winds, with intermittent sunnier periods.

**Congratulations & Thanks** The most arduous of conditions for archers, judges and work party alike. WELL DONE to everyone who survived, even though some arrows and tents didn't. So even with the 30 minutes break for the first belt of rain to subside we were relieved the equipment stood the test. This was due to the work of our equipments officer and also once again to Ian Trout. Between them and others too numerous to mention they worked tirelessly in the weeks before in grass-cutting, measuring and line-marking, stand making and believe it or not improving drainage. The greatest of thanks to all our Judges we hope you appreciated their good humour and knowledge and who took experienced decisions for you the archers whenever they could. 1st year terrible weather ..... next 2 years beautiful ..... This year ughhhh !! Next 2 years at least it'll be fantastic..... Honest !!! Lost .....one mobile phone..... Found cmp bow stand.

**Enquiries:** Ian K Pugh, 40 Bridge St, Pershore, Worcs WR10 1AT
